RESUMEN PROFESIONAL

Frontend and Mobile Developer with more than 6 years of experience developing scalable web and mobile applications for startups, SaaS platforms, and technology companies. Specialized in JavaScript, TypeScript, React, Next.js, and React Native, with solid experience in modern frontend architectures, performance optimization, and scalable product development. Experienced working in agile environments, API integrations, testing, and CI/CD workflows. Strong knowledge of Spec-Driven Development, transforming business requirements into scalable, high-quality digital solutions focused on user experience.

PROFESSIONAL SKILLS

- Technical Leadership
 - Teamwork
 - Problem Solving
 - Effective Communication
 - Analytical Thinking
 - Adaptability
 - Time Management
 - Attention to Detail
 - Creativity
 - Continuous Learning
 - Critical Thinking
 - Organization
 - Results-Oriented
 - Cross-Functional Collaboration
 - Priority Management
 - Proactivity
 - Technological Innovation
 - Decision-Making
 - Continuous Improvement
-

TECHNICAL SKILLS

React.js || Next.js || React Native || TypeScript || JavaScript || Node.js || Ionic || Firebase || Redux || Redux Toolkit || Redux Saga || Context API || Tailwind CSS || Material UI || GraphQL || Jest || React Testing Library || Vite.js || PostgreSQL || Prisma || Git || GitHub || GitLab || Jira || Scrum || Kanban || Agile || Atomic Design || SOLID Principles || Clean Code || REST APIs || Auth.js || Formik || React Hook Form || Zod || Capacitor || PWA Development || Expo || Expo CLI || Expo Router || Zustand || Android Studio || Xcode || CI/CD || Astro || IA || Agents || Skills || Mls || Figma || Google Cloud / Firebase || App Store Connect || Google Play Console

PROFESSIONAL EXPERIENCE

Semi Senior Software Developer
Abastella

10/2024 to 04/2026
Chile

- Contributed to the development of a B2B SaaS platform for restaurant operations management.

- Developed purchasing, inventory, billing, and analytics reporting modules.
- Implemented modern interfaces using React, Vite, TypeScript, and Tailwind CSS.
- Participated in mobile development with Angular, Ionic, and Capacitor for Android and iOS.
- Managed complex forms using React Hook Form and Zod.

Web Frontend Developer

06/2024 to 08/2024

ProMarketing

- Maintained and enhanced an internal betting platform developed with React and Next.js.
- Optimized mobile performance using PWA techniques.
- Implemented continuous improvements in design and user experience.
- Managed scalable frontend architecture based on SOLID principles.
- Applied lazy loading, caching, and code splitting techniques.

Mobile Frontend Developer

06/2021 to 01/2024

Mobiera s.a.s

Colombia

- Participated in the development of cross-platform mobile applications.
- Implemented state management logic using Redux, Redux Saga, and Immer.
- Developed navigation and authentication features in React Native.
- Integrated UI designs from Figma.
- Ensured test coverage using Jest.

Web Frontend Developer

01/2021 to 06/2021

WiHermes

Colombia

- Developed complete web modules based on Figma designs.
- Built reusable and scalable components.
- Optimized performance using React and Redux.
- Managed complex forms with Formik and Context API.
- Implemented Atomic Design methodology.

Web Frontend Developer

02/2019 to 02/2021

Solutraffic Ingenieria S.A.S

Colombia

- Participated in the development of a platform for road safety plans (PLSV and PESV).
- Implemented critical functional modules for public and private entities.
- Designed interfaces focused on accessibility and user experience.
- Ensured traceability and operational workflow within the platform.
- Collaborated with technical and functional teams.

CERTIFICATIONS

- Udemy – Principios SOLID y Clean Code
- Udemy – Next.js Framework de React para Producción
- Udemy – Aprende TypeScript de 0 a 100
- Udemy – React Native Aplicaciones Nativas iOS y Android

EDUCATION

- SENA – Systems Technologist - September 2019
